BELLS FERRY
LCI PLAN UPDATE

Transportation Community Workshop

February 10, 2026 5:30-7:00pm | Rose Creek Library (Woodstock, GA)

Thanks for coming to the Bells Ferry LCI Plan Update Community Transportation Workshop! We're glad you're here.

At today's meeting, you'll learn about how transportation planning and project delivery works in Cherokee County, and some of the ongoing projects within the LCI area, and the ideas that are being developed to improve transportation in the future.

Presentations will be given at 6:00pm and at 6:30pm.

We want to hear from you – please take time to browse the display boards set up around the room or talk with project team members to get more information.

Please visit the project website to share your comments and feedback!

You can also email the project team: BellsFerryLCI@cherokeecountyga.gov
